**Barnicle, the School Yearbook
 2010 - 2011**

"Children are the most creative beings on earth. If only we could provide channels for that creativity to blossom..."

This Yearbook truly represents the thoughts and strong opinions of the young but vibrant Barnites. After the initial introduction of the Yearbook last year, which was in great demand, we decided to bring out a further detailed version of it this year.

"All of us have the ability to delve deep into the realms of our mind and find some treasures there, which really are our impressions about this world as well as our

experiences. Some of them are turned into beautiful expressions by the creative-minded. Though unpolished, a gem can be spotted by an expert. But my dear readers, treat these endeavours of our young ones as tiny gems, for who knows which grain will become a real pearl in times to come! Give them all the support they deserve; a seed has the right to grow into a plant. The zeal and creative spirit of the students who have made it into this yearbook is also much appreciable.

Best Wishes!"

Education is not preparation for life : education is life itself
 - John Dewey

Honourable Chief Guest – Mr. Ratan Luth, Guests, Parents and my dear Boys and Girls ...

It is my proud privilege this morning to present before you, the Annual Report on this special day when we have gathered to acknowledge the efforts of our children who have excelled in various fields of school endeavour.

The new academic year began in June with the teachers meeting for two consecutive days to discuss portfolios, activities and syllabuses. The boarders returned on the 6th and classes for all began on the 7th June. Since then, time has rolled on and today we are here on the last working day of the school calendar.

Student Matters: The Academic year began with 236 Boarders and 912 Day Scholars, making a total strength of 1148 students. At present the total strength of the school is 1184, with 237 Boarders and 947 Day Scholars.

Staff: We have a couple of staff members who resigned during the Academic year 2010-2011. They include Mr. Abhishek Gaur – the Senior Maths Teacher and Mrs. Shobha Pilkhwal – Middle School Hindi Teacher. Ms. Theresa D'Souza and Mrs. Kuntal Bishnoi, both teaching in the Primary Section, will not be returning for the new Academic session. Two of our Matrons, Mrs. Cheryl Moses and Mrs Wenderlen James have also decided not to return in the new academic year. The Principal, Mr. Bryan Martin also left on the 4th January 2011 for personal reasons. Mrs. A. Khan and Mr. R. Karmakar have also put in their resignations.

The staff that were appointed during the year are Mrs. Azra Shaikh – Sr. School/Jr. College Physics Teacher, Mrs. Meenakshi Sharma – who replaced Mrs. Pilkhwal, Mrs. Dola Sengupta – Middle/Sr. School Geography Teacher, Ms. Aruna Badgular – a replacement for Mr. Gaur and Mr. Furgus Simmons – a Residential P.T.I.

A number of our staff were confirmed in their services during the year. They are – Mr. Ralph Russell- our Jr. College co-ordinator, Mr. D. Sonawane, Mrs. Natasha Gupta, Mrs. Preeti Russell, and Mrs. Moses.

Academic Matters: Improvement of academic standards is always a difficult job but at the same time none of us can turn aside from meeting this challenge and we at Barnes are trying our level best to meet this challenge. We do have a number of weak students from all walks of life. We even admit weak students or else where would they go. Yet, we are proud that when our students pass out they are able to present themselves properly to the outside world.

A Brain-storm session was conducted on 8th October 2010 to discuss different strategies to improve the academics of the school. This session was attended by the Honourable Directors of the School, the Principal, the Vice Principal and seventeen senior members of the school. The session was very fruitful and some of the suggestions that came up were put into practice immediately. Heads of Departments were nominated to monitor the progress of each subject. The introduction of Smart Class was also discussed and I'm happy to announce that in all probability this will start in the new academic year. A system of continuous and comprehensive evaluation was set up upto class eight. Fifty marks for CCE and fifty marks for the final examination. A constant check of Teachers' work has been going on. Members of staff have been advised to equip themselves with the latest methodologies to make teaching and learning more interesting and meaningful. Extra classes were conducted for the Board classes. A period was set aside for 'Spoken English'. We intend to have a specialist for this area very soon.

The school had sent up eighty-three students for the ICSE and forty students for the ISC. Unfortunately, we didn't get a 100% success rate this time. The pass percentage of the ICSE was 98.7% and that of the ISC was 93%. This was our first ISC batch so there were bound to be teething problems. The highest percentage for the ISC being 80.2% was scored by Abhiroop Chatopadhyay, and that of the ICSE which was scored by Abhishek Singh, his percentage being 90%.

School Functions and Activities: On 19th June 2010 the whole School gathered in Evans Hall for the Investiture of the newly elected prefects. The Principal, Mr. Bryan Martin, administered the oath of Office and presented the Prefects and House Captains with their badges. The occasion was a solemn one. After the function the Prefects were given a treat at MacDonalds. The Primary School had its investiture on 17th June 2010.

On 10th July 2010, our Football and Basketball teams went to Mumbai to play against St. Peter's School, Mazagaon. St. Peter's beat Barnes in both the games.

In July itself the PTA was formed. Class representatives from amongst the parents were elected and from the elected lot the Executive Committee was elected. I'm happy to state that the formation of the Barnes School PTA was a great move and we look forward to its continuous support, suggestions and advice. The Members of our PTA Executive Committee are:

On 17th July we had an Inter-school Badminton tournament in which Barnes was the runner-up.

On 24th July we had the Inter-House Cross-country Finals which went off very well. July and August are months when the Football fever grips the students of Barnes. The Inter-house matches were strongly contested. Football was introduced for the girls as well.

The Junior School had its Patriotic Song competition on the 13th August 2010. It was a treat for the ears to hear our small ones singing soul-touching patriotic songs. Independence Day was celebrated with zest and enthusiasm on the 15th August.

This year Barnes School hosted the Mega event....The All Maharashtra Anglo-Indian ICSE Schools Tournaments for Football and Basketball. Over three hundred and fifty children from 12 schools participated in the event. All these children were housed in our new dormitories. They had a grand time. Barnes reached the Semis in Football. The Football was won by Bishop's School, Pune and the Basketball for girls was won by St. Mary's School, Mumbai. On the 13th September our children participated in the Rochak Diwas competition hosted by Christ Church School. Our children did quite well in the competition. On the 17th September, the Junior School had its elocution competition which went off very well. Our Football and Basketball Teams also went for an Inter-school competition hosted by CCS. Our girls reached the Semi-finals in Basketball. Swimming was re-started in Barnes after almost twenty years. The Inter-house Swimming Gala was a grand finale. The event had a number of participants who had earlier been trained well.

The Ex-students had a wonderful time during their stay here from the 27th to the 29th October.

Children's Day was celebrated on 14th November. The Barnes Walk was re-started. On the 20th November, nearly five hundred children and teachers walked from the school to the streets of Devlali and Bhagur with colourful banners for a cleaner and greener environment.

The Junior School had its Sports Day on the 3rd December, while the Senior School had theirs on the 16th December. Both these events were spectacular events.

The Musical Extravaganza, Joseph and his technicolour Dream Coat was staged on the 10th, 11th and 12th December. Nearly four hundred children took part in the Mega event which was a grand success. A big thank you to Mr. Shawn Tims and his team for putting up such a great show.

The New Year began with the Prelims for standard X and XII.

Republic Day was celebrated with zest and enthusiasm.

Founders Day was celebrated on the 29th January. It was a solemn occasion graced by the newly appointed CEO, Mr. Carl Laurie. The Annual Fun Fair was held on the 30th January. It was a great success. Our parents had also put up a stall.

The ISC Exams commenced on the 15th February. The ICSE Exams commenced on the 28th February. We have sent up 90 students for the ICSE and 40 for the ISC. We hope and pray that our students do well in their exams. The ICSE students were given a send off on the 24th March while the ISC students were given their Farewell on the 26th March 2011.

On the 12th March the Junior School had its Variety Entertainment Programme. The show was a grand success. Every child of the Junior School took part. Thanks to Mrs. S. Coutinho and every Teacher of the Primary Section of the School.

Our home exams began on the 28th March. The results of which will be given today. On the 1st April, the Junior School had a Fancy Dress Competition. Our routine games and activities, like Cricket, Volleyball, Hockey, Singing, Debates, Quizzes, Throwball, Boxing, Badminton and Table Tennis also went off very well.

Achievements: With a new and beautiful Swimming Pool, swimming was resumed at Barnes after almost twenty years. We hope to have swimming during school hours from the new academic session. This will allow our day scholars to avail of this privilege.

Our Boarders are far more comfortable in our new dormitories.

Barnes took on the responsibility of hosting one of the major Inter School events in Maharashtra, "The All Maharashtra Anglo-Indian Schools Football and Basketball Tournaments," which was a great success.

Fifteen of our children took the Elementary and Intermediate Grade Examination, conducted by the Government of India and secured a good grade in the exam. This is an important exam for children wishing to pursue Art in later years.

Many of our children participated in the Maggi Ryan Minithon in which schools from all across Maharashtra participated. Barnes stood second in the overall tally.

In Fencing, not only have our children topped at the Inter-school level but have also won gold and silver medals at the District and State Levels as well.

Some outstanding fencers are Mehmood Hamdulay, Mehal Singh, Ishan Pawar, Vaishnavi Veer, Tanisha Paul, Simran Kataria and Carol Bernard.

Our children have also fared very well at the National Cyber Olympiad, National Science Olympiad and the National Math Olympiad. The Ramchandani brothers Vijay and Rahul, and Rajkumar Bhatt have done extremely well in this area and have brought laurels to themselves and to the school.

Sushant Yadav of V - A stood first in the State level - Revolt Skate India.

Hritik Khairnar has won gold and silver medals in Karate.

Children of our Primary section were also very successful in many competitions.

Ashish Thakur of II - B won a Gold Medal at the Computer Olympiad.

Tanishq Mal of I - A won a Gold Medal for International Information Olympiad 2010.

Siddhartha Kumar of Prep B stood second in a skating competition held at St. Xaviers, Nasik.

Nimesh Bhavsar of III - B won the second prize at the ABACUS IIInd level.

Shraddha Gawli of III - C and Sai Gawli also of III - C won prizes at the Abacus National Championship.

Krishni Ohri of III - C won two gold medals at the District level Karate championship.

Diya Modi of II - A stood first at the District level Skating Competition.

The list is long

This brings me to the end of the Annual Report. I sincerely hope that you, as parents and guardians of children at Barnes School will appreciate all that we are doing to make your children 'Balanced Individuals' by providing them a

wholesome education. I agree that there have been a few short comings which we will try to do away with, in the near future. I would, however, mention that without your help and cooperation, we cannot develop your child's potential to become the all-round person that he or she can be. I appeal to you to lend us a helping hand, in terms of constructive suggestions and in advice, in taking Barnes to greater heights.

Before I end, I would like to thank the Almighty for showering his blessings on this School. We have been without a Principal for over three months but by His grace, and the guidance and support of our Directors, Mr. R.K. White - our President, Mr. R.C. Woodman - Our Honorary Secretary, Mr. S. Daniel - Our Honorary Treasurer and Mr. Carl Laurie - our newly appointed C.E.O., the School has gone on. Thanks to all the workers of this school. On behalf of the Management of Barnes School, I thank all the Teachers, the Office Staff, the Security, Mr. Thomas and his Mess staff, Mr. VV Basetti and his Maintenance staff for their efforts in ensuring that the school ran smoothly. A special word of thanks to Mrs. S. Coutinho - the Junior School Supervisor, Mr. Ralph Russell - the coordinator of the Junior College, Mr. Vijay Nair coordinator for classes eight to ten and Mr. Malcolm Ovichegan - coordinator of the Middle School for looking after their areas.

Finally, I thank all the parents who have placed their children in our care. A Big Thank You to all our children for whose sake we are here, and the School is here.

Thank you!

Mr. Carl Henry Laurie

C.E.O. - B.E.S. Institutions

Christ Church School & Junior College, Byculla, Mumbai.

Barnes School & Junior College, Devlali, Nashik

Mr. Laurie has 25 years of teaching experience. He has been the Principal of Christ Church School for the past five years during which he has established the school as one of the leading schools in Maharashtra.

In addition to post-graduate academic qualification and a Bachelor's Degree in Education, Mr. Laurie holds post-graduate qualification in Human Relations and Psychotherapy & Counselling.

He is an avid sportsman and has actively encouraged Christ Church School to achieve numerous accolades in the sporting arena with many of our students achieving national level acknowledgment.

In co-curricular activities, Christ Church School has earned laurels at the State and National level in Debates, Quizzes, Arts and Drama.

Mr. Laurie is a well known educationist in ICSE / ISC circles and has authored four books which are in circulation in many schools.

Dear Students,

**“When you do what you can;
God will do what you can't”.**

An unbelievable story of determination and effort:

Wilma Rudolph was born prematurely and was struck by polio. Doctor's told her mother she wouldn't walk. Her mother learnt of a doctor who treated polio-stricken patients, eighty kilometers from her house. She took her there twice a week for treatment and after two years she could walk with crutches. By the age of 12 she walked without crutches, and at the age of 16 she won a bronze medal in the 1956 Olympics. In the 1960 Olympics, Wilma became the first American woman to win 3 gold medals.

I give you this story to show you that nothing is impossible, if you have the **'RIGHT ATTITUDE, BELIEF IN YOURSELF AND PUT IN THE EFFORT'**. You are in the midst of your Prelims and moving towards the board exams in March 2011. Your parents have ensured that you are studying in one of the best schools in our region, and have spent a lot in terms of time, energy and money to see you get a good education. Now it's your turn to show that they have invested wisely. All that you have to do to repay the love and sacrifice of your parents is **'GET A GOOD RESULT, AND BE A GOOD HUMAN BEING'**. **Is that too much they are asking for?**

I've heard from a few parents in my meetings with them in the last few days that their children say they will study for the boards, but my dear students **'IF YOU ARE WAITING FOR THE RIGHT TIME TO START, LET ME TELL YOU THAT IT WILL NEVER COME'**. **“THE POINT IS YOU HAVE TO START NOW”**.

Some steps to success:

- Decide what you want.
- Set a deadline
- Make a list of things you'll need to do.
- Take action immediately.
- Persist till you make it. **DO NOT QUIT.**

You must remember students, **“You are today where your thought and attitude have brought you. You will be tomorrow where your thoughts and attitude take you.”** It was Robert Ingersoll who said; **“In nature, there are neither rewards nor punishments; only consequences”**.

Your parents, the school and teachers have done everything to ensure you do well in academics, as well as in life. Now the onus lies with you. **You are the architect of Your success.** It is all up to you to succeed or fail. We are always there to guide and help you if you need it.

Karaoke singing is fun and very addictive; once you tried it, you will want to keep on going and sing more. Karaoke is all about enjoying yourself whether you are an expert singer or just wannabe to be a good one; anyone can pick up the microphone and do it. In fact, the more you sing, the better you get. This is what happened at the singing competition at Barnes. The children have become excellent karaoke singers so much so that the judges have a difficult time deciding the winners.

It has become pretty obvious in the last couple of decades that singing has special draws. Regular people all over the globe are addicted to karaoke singing. People will come if they can sing for a crowd. People will watch others sing for a crowd, too -- "reality" competitions like "American Idol" and "X Factor," two of the most popular shows in the United States and around the world, respectively, are all about singing.

All types of singing have positive psychological effects. The act of singing releases endorphins, the brain's "feel good" chemicals. Singing in front of a crowd, a la karaoke, naturally builds confidence, which has broad and long-lasting effects on general well-being. But of all types of singing, it's choral singing that seems to have the most dramatic effects on people's lives.

Karaoke singing in children is a very important way of encouraging a child to shed its fears of being exposed to an audience at a young age, so as the child grows it overcomes this fear and is ready to face the audience with all vigour and freedom of mind.

Little children love to sing, you will hear them either singing or just humming a tune while they play or read and write or even when they study. This is only natural in a child. So the karaoke singing habit is a healthy habit for children and it should be encouraged in every home.

Congratulations !! to all the performers of the evening, especially Spence & Florence Nightingale for bagging the first prize. You have done a marvellous job and entertained the audience and kept them glued to their seats.

Hope to see many more of you next year

"Sing, Sing a song, Sing out loud, Sing out strong, Sing of good things, not bad, Sing of happy, not sad, Sing, Sing a song, Make it simple, To last your whole life long, Don't worry that it's not good enough, For anyone else to hear, just Sing, Sing a song."

The Grand Finale . . .

We've done it ! The second time in a row ... Joseph and the Amazing Technicolour Dreamcoat – the musical that one will not forget in a hurry. With all its pomp and flamboyancy was worth all the sleepless nights and frustration that it gave all that were connected with the staging of it. We transformed the stage at Barnes School into a sea of bright colours, upbeat songs and high school musical talent beyond belief.

We have learnt to dream and achieve what we dream of. The entire journey of this production will always be a memorable one.

Joseph and the Amazing Technicolor Dreamcoat, complete

with memorable pop tunes, an Elvis-wannabe *Akshay Nair* as Pharaoh stole the show, and *Sheldon Redden* with his inspiring, rags-to-riches tale of success was one never to forget.

Sheldon made a strong presence of the man with the coloured coat. He made a convincing character as he told the story of a biblical man. Sheldon's uncanny ability sang out to young and old alike with a score by Webber that has catchy numbers including "Close Every Door" and "Any Dream Will Do."

"It's an honour for me to play this part," Sheldon said. "It's a show with high expectations and I think it's the best I've ever done in any school."

The curtain rose at the school's quadrangle at 7:00 p.m. each evening, with an Andrew Lloyd Webber's whimsical version of the biblical story of Joseph, is a musical parable of a spirited dreamer. Betrayed by his brothers, sold into slavery, and accused of adultery, Joseph must rely on his unusual gift of prophetic dream interpretation to survive and succeed. A talented cast and ensemble of 400 singers, dancers, and storytellers, along with 60 elementary school students, brought Joseph's epic tale to life.

Told through a wide range of musical styles--everything from country-western and calypso to bubble-gum pop and rock 'n' roll--this classic Old Testament tale has stood the test of time.

There were no dialogues in this show. The songs were nonstop, narrated in song by *Marianna De Figueiredo*, who, with a perfect pitch delivered the message.

The months of balancing schoolwork, combined with teaching, family and travel while preparing for this show was a tremendous challenge.

I feel fortunate to have had the opportunity to work with such a great group of students — they were always willing to go the extra mile to keep the performing arts an important part of the curriculum."

It would have been very unfair on my part to bring this article to a close without mentioning all those who tirelessly worked for this wonderful production. My special thanks to *Bernadine, Rosie, Sharon*, for the superb co-ordination of the costume work and *Carlton D'souza*, who shocked me with his innovation and dazzling ideas which reflected in the glamorous costumes for the show.

"Money isn't the most important thing in life, but it's reasonably close to oxygen on the 'gotta have it' scale." Thanks to *Vijay Nair* who got us an unbelievably amount of money, through our advertisement brochure, which made ends meet.

Hats off to *Francis D'souza* and *Ashutosh Jadhav* for the life-like stage props and settings – it seemingly took us back to the days of Genesis. Many thanks to *Binson Mathew* for all the evenings spent in Barnes to present this professional choreography which got everyone swaying and foot-tapping.

I cannot end without thanking my *Board of Directors* who stood by me to see this show take off to this magnitude, even to the extent of *Mr. Rudolf Woodman* arranging the professional back-up tracks through his son *Ryan*, from Louisville, Kentucky, on line. Thanks a million, Ryan.

So, Barnes did it again. Barely did everyone walk out when everyone asked, "What's next year....." I disappeared.

The Birth of Jesus

The Nativity Story

as enacted by the Barnes School Junior children

Angel Gabriel appears

Mary and the Angel

About two thousand years ago, in the town of Nazareth, there lived a young woman named Mary. She was engaged to be married to Joseph, a carpenter. One day an angel appeared before her and told her she had been chosen to have a special baby. The baby would be God's son and she must call him Jesus.

Journey to Bethlehem

Soon after the angel's visit, Mary and Joseph were married. Mary was due to have her baby when they were told they had to go on a long journey to Bethlehem, which was where Joseph came from. This was because they had to pay a special tax. Mary had to ride on a donkey for a few days over the hills of Galilee.

The Journey

No Room at the Inn

At last Mary and Joseph arrived in Bethlehem. It was crowded with other people who needed to pay their taxes. Mary was very tired and needed a place to stay. At each inn, the story was the same. There was no room for them. Eventually, one kind innkeeper said he had a stable where he kept his animals. They were welcome to stay there.

Jesus is Born

And so it was that a few hours later, Mary gave birth to her son in that stable. She wrapped Jesus in strips of cloth and laid Him in a manger full of hay.

Jesus is Born

Shepherds hear the News

At the same time, on a hillside overlooking Bethlehem, some shepherds were watching over their sheep. A bright light appeared in the sky. They were very afraid. It was an angel sent by God. The angel told them not to be afraid, because he had some good news. He said the Son of God had been born and they would find Him in Bethlehem.

Shepherds are Afraid

Shepherds give Gifts

Shepherds give Gifts

The shepherds wanted to go and see the baby. When they arrived at the stable, they were filled with joy at seeing Jesus lying in the manger. They knelt down and worshipped Him. They told Mary and Joseph how the angel had appeared in the sky and told them that Jesus was to be the Saviour of the world.

A New Star Appears

Far away in the East, Wise Men saw a new star shining high in the sky. These men studied the stars and they knew this was a very special star. They studied their scrolls where it said that whenever a bright new star appeared it meant that a great ruler had been born.

A New Star in the Sky

Following the Star

The Wise Men decided to find this new ruler. They went to Jerusalem to see King Herod, as they thought the baby would be in the palace. They asked to see the child that would be King of the Jews. The king was troubled. He thought this new king may take away his throne. He told them to return when they had found the baby so that he could worship the child himself.

Wise Men Follow the Star

Wise Men give Gifts

The Wise Men set off to find the baby. They were guided by the star to the stable in Bethlehem. Here they knelt down and worshipped Jesus. They gave him gifts of gold, frankincense and myrrh. That night, the men had the same dream where an angel warned them that King Herod wanted to kill Jesus and told them not to go back to his palace.

The Wise Men Give Gifts

Jesus is Safe

The Wise Men went back to their own country without calling to see Herod. Soon after Joseph had a dream where an angel told him to take Mary and Jesus to Egypt as King Herod had ordered that Jesus be killed. They left Bethlehem right away. When the wise men did not return, Herod ordered that baby boys in Bethlehem be killed. They did not find Jesus as he was safe.

The Eighty Sixth Annual Athletic Meet was held on 16th December, 2010. the Chief Guest was Brig A K Raghava (Commander Gunnery Wing, Devlali). He unfurled the flag and declared the meet open. He also witnessed the events and gave away the prizes.

The meet began with the Inter-House March Past followed by 100 m races for all the divisions. The races were very closely contested. There were also 4x100m relays for all the divisions which were also very exciting. A mass PT drill was performed by the students. The events ended with the Inter-School Relay which was one of the most exciting events.

FAREWELL....NOT GOODBYE

Goodbyes and farewells are something that no one ever wants to face. Regardless of whether it's a friendship or close romantic relationship, it's never easy. Sometimes, when it's time to say goodbye, there is no other choice.

Some relationships just don't work out, and sometimes, there are other things standing in the way. You may have to move away or the person you are close to may have a life-threatening condition that takes them to a better place. Goodbyes are a part of everyone's life. While there is no bright side to saying farewell, there are a few quotes that you might find comforting:

- "We Only Part to Meet Again" John Gay
- "Don't Be Dismayed at Good-Bye's. A Farewell is Necessary Before You Can Meet Again. And Meeting Again, After Moments or Lifetimes, is Certain For Those Who Are Friends" Richard Bach

You can look at this quote in a variety of ways. One way goes back to the fact that farewells are not always forever. When you meet with someone again, you're flooded with emotions that seem to overflow from your heart and shine through you onto the one you've missed. When it's time to say goodbye (or bid a temporary farewell), those emotions are just as strong, if not stronger. You're more likely to talk about your feelings for that person and realize how much you've enjoyed their presence in your life. People rarely realize how important someone is to them until it's time for them to go, be it only for a little while, or forever.

Farewells can definitely be devastating, that is why everyone should always take time to appreciate everyone in their life because eventually, everyone will have to bid farewell. Nothing in life is forever, nor is anything in life certain. Sometimes it's nice to not think about these things, but regardless, they are still an inevitable part of life. The best way to view a farewell is in a positive light no matter how sad it may seem.

The farewell of Classes 10 and 12 in Barnes brought out exactly the same feelings...staff and students alike. We hope we will meet someday soon.

CHEERS!!!

MY MOTHER

My dear sweet mother
She's like a pretty flower
She has a divine power
Which I have not seen before or ever

She gives me valuable teachings
And sometimes a few beatings
But hate her I will never
Love her I will forever.

SURELY IT'S WOMAN'S WORLD

If a girl loves silence:- She is serious
If a boy loves silence:- He is dull

If a girl sleeps too much:- She is health
conscious

If a boy sleeps too much:- He is a lazy
fellow.

If a girl wears a man's dress:- She looks
smart.

If a boy wears a girl's dress:- He makes us
laugh.

If a girl fights for her right:- She is
courageous.

If a boy fights for his right:- He is offensive

If a girl wears unique dress:- It is fashion.
If a boy wears unique dress:- He is a joker.

"So surely it is a woman's world"

MY TEACHERS

My teachers care my inspiration,
They light the lamp of education,
They give me true knowledge and

They are the finest and the dearest,
They make me the best,
I bow to you my teachers
With great gratitude and respect,
For you are the architect of my future.

A CIRCLE OF FRIENDS

I can talk with a friend
And walk with a friend and share my
umbrella in the rain.

I can play with a friend
And stay with a friend and learn with a
friend and explain.

I can eat with a friend
And compete with a friend and even
sometimes disagree.

I can ride with a friend
And take pride with a friend
A friend can mean so much to me!

I had a box of crayons,
All shiny, straight and new.
I lent a friend one crayon,
And—oops—it broke in two!

My friend said she was sorry,
But I said "I don't care,
"Cause now we both can colour
With one crayon—we can share!"

WHAT IS TRUE FRIENDSHIP!!!

We know they are fine but we say
"kaisa hai?"

We know we can't be forgotten by them but
we say
"Bhul gaya na?"

We know that they can't go without us but
we say
"Mere liye rukhna"

We know that they can't finish all stuff
without us but we say
"Mere liye bachana"

We know that they will share everything
with us but we say
"Mere ko nahi bataega na?"

We know that they are with you in every
problem but we say
"Mere saath dega na?"

We know its impossible to survive without
them but we say
"Kabhi mujhse baat mat karna"

They are the best part o life.....they are
friendzzzzzzzzzz.

MY IDOL

My father is the God,
Who created me.

My Mother is the Wrath,
Who brought me up.

My teachers are the guide and also God,
Who showed me light.

My knowledge is the way,
That made me bright.

My life is the society,
Mirror of wrong or right.

These all are my idol,
They show me the way.

Let me do my duty,
Best for long.

FEAR**WHAT IS FEAR?**

Fear is the inability to face someone or something. When you cannot face an issue, it causes complexity and stress.

It is like being afraid to cross the boundary created by us in our mind. More or less like an internal signal that we may get hurt so we tend to stay away from the boundary. Hence Fear is staying within that confined area.

Fear blocks our thinking overall as well as stops us from taking correct decisions/actions. Therefore it blocks us from being successful. Most successful have had overcome fear barrier to gain their

achievements.

Fear areas:

- * Health
- * Career.
- * Pleasure.
- * Family.
- * Relationships.
- * Social Arena.
- * Close Friends.

FEAR

F = False

E = Expectations.

A = Appearing.

R = Real.

OVERCOMING FEAR.

A Small Thought.

Try to overcome your fears and you will achieve success.

PLUNDERED PLANET.

The world is finite, resources are scarce,
Things are bad and will be worse.
Coal is burned and gas eroded,

Forests cut and soil eroded.

Wells are dry and air polluted,
Dust is blowing and trees uprooted.
Oil is going, ores depleted.
Drains receive what is excreted.

Land is sinking, seas are rising,
Man is far too enterprising.
Fire will rage with man to fan it,
Soon well have a plundered planet.

GO AWAY!

The rose that smiles today
Very beautiful and gay
Will shortly fade away

The mountains very high
That seem to kiss the sky
Will someday die

The rolling oceans wide
Will once abide.
And will be emptied, dried.

The earth so vast
Who rolls so fast
Comes first but will be last.

The sun so bold will grow so old
And become white and cold

The star shines so bright
Is a beautiful sight
Will one day lose its light.
In this sadness be gay.
For it will not stay
But will slowly go away.

PARADISE

An angel with a shiny sword,
Came to take Adam and Eve abroad;
And as they journeyed through the skies,
They took one look at paradise.

They thought of all the happy hours
Among the birds and tree towers
And Eve she swept and Adam bawled,
And both together loudly squalled.

ELSIE

I know a little girl,
Who is very dear to me,
She is just as sweet as honey and her name
begins with E and ends with E.

She has brown hair which curls
And black eyes to see.
With teeth like tiny pearls and her name
begins with E and ends with E.

Do you ask me why I love her?
Then I will answer thee,
Because I cant help loving
She's so sweet to me
The girl who's name is Elsie.

FRIENDS

1. I must have been born under a lucky star
to find a friend as nice as you are. I will
follow the rainbow to the end if you promise
to remain my friend.

2. Friends are like stars, you don't see them
all the time but you know they are there.

3. Life is not easy, and it will never be, but
you have got friends and one of them is me.

4. When I am walking in front of you, I am
protecting you. When I am beside you I am
there for You. When I am behind you, I am
watching over you. When I am alone, I am
thinking of you.

5. As long as we have memories, yesterday
remains. As long as we have hope.
Tomorrow awaits. As long as we have
friendship each day is never a waste.

6. I believe in angels the kind that heavens
send. I am surrounded by angels but I call
them MY BEST FRIENDS.

LIVE AND LEARN

Live and learn and pass it on,
It gives you satisfaction about people born
Who want to share and give a damn
Of others who need more than them.

Live and learn and pass it on
It makes you happy that you born
To give to others all that you know,
So that they can live in the world of glow
with knowledge you have passed on
To those yet to be born.

Live and learn and pass it on
To others who have not had the time
To grasp at the good and leave behind
The dirt and the grime.

FRIENDS

Friends are good,

Friends are kind,

But most of all,

Friends are in the heart of mine,

Friends will stay throughout the year,

But once there gone there's lots of fear.

A new year comes with lots of friends.

But ! what you think the old ones are less?

No, for they are always in the heart of mine,

But they are always mine.

WHAT I LOVE THE MOST

I love swimming

With my friends,

But not jumping on my bed!

I love my

Sweet little tub

Which is in the

Shape of a pup!

I love my

Cosy little house,

But not that big

Very fat mouse!

I love to wear

My party clothes,

But not wearing

That large, heavy coat!
