"Even when life's challenges weigh us down, make us unrecognizable to ourselves, we can always begin again. There's always time to thrive. It's not too late to be inspired. It's not too late to change. It's never too late.

This honour today leaves me deeply humbled, but also makes me think of others who don't get their due – Teachers, nurses, caregivers, struggling parents, all the people who do the right thing to win their own private Grand Slams. They know already. They know already what took me decades to figure out. That we are here to do good quietly, to shine in secret, to give when there's no crowd applauding, to give of ourselves to someone who can offer us nothing."

### - Tennis Legend Andre Agassi on being inducted into the International Tennis Hall of Fame

The Barnicle 2012 – 2013 is one such collection of achievements that has been made possible by people who are out to do the right thing to win their own heroic battles. This is a combined, positive effort by the students of Barnes School & Junior College, working, creating and growing under the guidance of their teachers. Each page is a tribute to the remarkable efforts put in by the students, their parents, the teachers, the Principal, the Vice Principal and the Management of Barnes School, including those who work quietly behind the scenes, choose to stay anonymous and lead without a title. None of this would have been possible without the contribution of each one of them.

It is said that life is not about counting the number of breaths that you take. Rather, the true measure of life is about counting the number of moments that take your breath away.

Ladies and Gentlemen, boys and girls, I am sure that the contents of this Yearbook would remind you of plenty of moments when the little ones and the young adults of Barnes School took your breath away and made the year memorable by the size of the fight in their hearts!

**JULIAN LUKE  
PRINCIPAL**

# THE PRINCIPAL'S ANNUAL REPORT ACADEMIC YEAR 2011-2012

Honoured Chief Guest, Brigadier Rajiv Raina, Ladies and Gentlemen, and my dear boys and girls.

We are truly privileged to have Brigadier Raina, the Commandant of the Combat Army Aviation Training School (CATS), as the honoured guest at our 87th Annual Prize Giving Function.

On behalf of the school, I wish to express our thanks and appreciation to Brigadier Raina for setting aside his busy schedule and being at Barnes for the Prize Day.

This is the time of the year when we take stock of our progress and put forth an account of our efforts to educate our young. It is also the time we bid farewell to some of our Members of Staff. At the same time, we would be welcoming some new members who are all set to become a part of Barnes.

## 1. STAFF

I took charge as the Headmaster of Barnes School & Junior College on 1st June 2011. A number of new Members of Staff joined at the same time as I did, while others followed during the year. Mr. Keith Everett, the Assistant Headmaster, Mrs. Donna Everett, Mrs. Dola Sengupta, Miss Anupama Singh, Mrs. Meenakshi Sharma, Mr. Abhishek Gaur, Mr. Arthur Bergeon, Miss Nisha Nair, Miss Harshita Mishra, Mrs. Veena Luke, Mrs. Kavita Kacker, Mrs. Seema Deokar, Mr. Vaibhav Patil and a new matron, Miss Annabelle Edwards were among the new staff. The school office too had its share of new faces, with the appointment of Mrs. Josephine Pinto, as the Junior Accounts Clerk and Miss Amita Kapse, as the Assistant to Mr. Shawn Tims, Chief Coordinator – Admissions, in the Admission Cell.

Mrs. Natasha Gupta, a teacher in the Junior College section and Mrs. Elaine Holt, Matron in the Girls' Hostel, left Barnes at the end of the Academic Year due to personal reasons.

Barnes is like a huge ship that has weathered many a rough seas and some very stormy waters, especially in the last few years. However, on behalf of the staff and students, it must be said that our Board of Directors, along with our newly appointed CEO, Mr. Carl Laurie and the Executive Committee of the Bombay Education Society, have made tireless efforts towards the improvement, growth and development of this institution. Their dedication and persistence has made sure that this ship of ours stays on course throughout its journey.

In spite of having extremely busy schedules and timelines, our Management has been with us every step of the way. Through frequent visits to the school, or through telephone conversations and emails, the Board's easy approachability and involvement in the process of growth and development ensures that the feeling of "I am all alone out here" never creeps into my mind. I often marvel at their constant participation and continued dedication of purpose. Hence, it will not be out of place, to state on record, my sincere gratitude to the Board of Directors of the Bombay Education Society, namely Mr. R.K. White, the President, Mr. R.C. Woodman, the Honorary Secretary, Mr. Suresh Daniel, the Treasurer and last, but not the least, Mr. Carl Laurie, our CEO, who incidentally, is also the Principal of our sister school, Christ Church School in Byculla, Mumbai. I sincerely appreciate their constant help and guidance, not forgetting the constant friendly nudges and encouragement from them, as well.

## 2. SCHOOL STRENGTH

The school re-opened on 11th June 2011 after running under the leadership of Mr. Trevor Jacob, our Vice Principal. For five months, from January 2011 to May 2011, Barnes was without a Principal. It was like a ship without its Captain. Mr. Trevor Jacob, the Vice Principal was handed the responsibility of running Barnes by the Board of Directors, during these testing six months. He did a commendable job of holding the reins until the joining of a new Principal.

I took over as Headmaster on 1st June 2011. The school strength at the time was 1224 students, 238 of which were boarders, including 189 boys and 49 girls. The remaining 986 were Day Scholars, with 514 boys and 472 girls. As of today, our total strength is 1217 students, including boarders and day scholars.

## 3. ICSE & ISC RESULTS

This year's ICSE Class X & the ISC Class XII results were good. Though, I cannot help but think that they could have been better. With one failure in each, the ICSE and the ISC, the overall pass percentage was 99.12 % for the Class Tens and 92.85 % for the Class Twelves. What was really heartening to note was the remarkable number of students, 87 out of a total of 114 students sent up for the ICSE Class 10 Examinations, who found their way to make it to the First Class.

Surbhi Dhupad of Class X made us proud by taking the top position with 96.80 %. 7 students made it to the nineties, 22 were able to get to the eighties, while the seventies included 26 students.

Princy Khumujam topped the ISC Class XII Science Stream with 76.50%, while the Commerce Stream saw Rohit Pagarani make it to the top with 75%.

**A hearty congratulation to all of them!**

#### 4. ACTIVITIES

A boarding school does provide greater scope for an all round and versatile development of a child by providing opportunities to grow beyond mere Academics, through the availability of co-curricular and extra-curricular activities. Barnes covers a wide range of activities all through the year – in tune with the different seasons. The last Academic Year was no exception.

Despite the rains, the Cross Country was keenly participated in. Football, Hockey, Cricket, Basketball, Lawn Tennis & Badminton were closely contested and played with much enthusiasm and passion.

Boxing, a sport that has met a sad death in most of the schools, continues to be one of the most highly anticipated and keenly fought events of the year.

Roller Skating saw a number of eager students gliding through the skating rink, but not before a few of them slipped and fell, only to pull themselves up and start rolling with even more fervour. It was a delight to watch three year old Guru Sonawane of Playgroup put on his skates and start moving with the other young kids, following the instructions of the skating coach.

Debates, Singing, Elocution, Dramatics, Quizzes and other such cultural and co-curricular activities kept the students and the staff on their toes throughout the year.

The "All Maharashtra ICSE Schools Anglo-Indian Football and Basketball Tournaments" were the cream of the crop. Held in August 2011, these tournaments were hosted by Barnes a second year in the running.

Although our team ended up in the 3rd position in the football tournament, it is worth mentioning that we do have the firepower in the form of some outstanding footballers to go all the way and lift the trophy.

The Stephen Anderson Memorial Tournament held at Christ Church, in Byculla (Mumbai) presented our footballers with another opportunity to showcase their talent. This time they were not to be satisfied with the "3rd Position" and went all the way to bring home the trophy.

The disappointment of our Girls' Basketball Team having failed to make an impression during the tournament was compensated to some extent by the fact that a couple of our basketball players were selected and have represented Barnes at the State Level.

#### 5. ACHIEVEMENTS

The highs of 2011 – 2012 were:

##### Basketball

After the disappointing performance of the Girls' Basketball Team during the "All Maharashtra ICSE Schools Anglo-Indian Football and Basketball Tournaments", the girls were put under the charge of a new Basketball Coach. The positive change in the attitude of the girls and the considerable change in the standard of play is clearly noticeable. As mentioned, two of our boarder girls, Glendoveer Paul and Valerie Paul, have been playing at the State Level for Barnes.

#### Drawing

The Elementary and Intermediate Grade Examinations conducted by the Government of India present a sort of a platform for children who wish to pursue fine Arts in later years. Last year, seven students were selected to appear for the Elementary Examinations, while fourteen students sat for the Intermediate Examinations. Out of these fourteen, two were awarded an "A" Grade.

A few of our young artists also participated in the Junior Chamber International Drawing Competition, where Pooja Papneja of Class V C bagged the 1st Prize, while Harpreet Kaur of Class VIII C and Rohan Khara of Class VII C managed to hold on to the 2nd and 3rd prizes respectively.

*Congratulations to our young Picassos and their Drawing Teacher, Mr. Ashutosh Jadhav!*

#### Music

A Hearty Congratulation to Hrushikesh Thole of Barnes. This Class IX student won the Scholarship from the Centre for Cultural Resources and Training for excellence in playing the Harmonium.

*Great going, Hrushikesh!*

#### Self Defence

Harsh Maheshwari of Class VIII A attended a one year camp at Balewadi in Pune, where he was selected to be part of the 5th World Teakwondo Culture Expo held in Seoul, Korea. His excellent performance earned him two medals, a Silver and a Bronze. I guess we may have our very own Jackie Chan in the making!

*Congratulations to Harsh as well!*

#### Others

Tanishq Mal, a Class II A student, grabbed the second position in the Rangbhar Kala Vikas Sanstha of Ratnagiri District. He even managed to win the title of "Adarsh Shala" (Ideal School) for Barnes.

*Well done, Tanishq!*

Urjita Girase, Shraddha Gawli, Pratiksha Bhatia and Rohini Chavan, all students of Barnes, were honoured by the Student Development Society for their outstanding colouring skills, while Ishita Ambekar, Parimal Gangurde and Sakshi Rawat were chosen for their excellent handwriting.

Surbhi Dhupad, the Class X ICSE topper, along with Apurva Balyan of Class IX A stood first among the Senior Debating group. They brought home a Cash Prize of `10,000/-.

*Hats off to Surbhi and Apurva!*

I was delighted to be honoured with "The Ideal Principal Award 2011" in my first year here at Barnes, while our Art Teacher, Mr. Ashutosh Jadhav was "The Ideal Teacher for 2011".

Perhaps, the icing on the cake, was "The Ideal School Award for 2011" for Barnes School & Junior College. A hearty congratulation to all our achievers who have brought laurels to our school, and to the teachers who were working behind the scenes to make it all possible.

*Well done and keep up the good work!*

**ANNUAL SCHOOL FETE**

The Annual School Fete was held on Sunday, 5th February 2012. The grand success of the Fete ensured a healthy profit for the school, which in turn would contribute towards the growth and development of our institution. I wish to thank my staff for making the Annual Fete a roaring success through their hard work and contribution.

**WORKSHOPS**

"Educomp", the software firm that provides digital smartboards to schools, conducted a workshop on E-Learning for our staff. It was a two-day orientation & included basic training on the use of smartboards as a teaching aid. Classes 1 to 10 have been installed with digital smartboards that are educating and enhancing the students' knowledge, making the teaching process more effective for teachers and the learning process more interesting for students.

The implementation of the Unified Council Mathematics, Science and Cyber Olympiad Examination for the students met with great success. The parents too jumped at this opportunity which would help prepare their children for future competitive examinations.

The introduction of The Cambridge University's English Classes has been instrumental in refining and polishing the English speaking and writing skills of our students.

**HEALTH**

As a school, especially a residential one, we were fortunate to be spared of major illnesses or epidemics such as chicken-pox, measles, mums, conjunctivitis.

**CONCLUSION**

As I reach the end of my report, I thank the Good Lord for his protection to the school amidst all its progress. I thank our Management and our Staff, without whose support it would not have been possible to sail through rough seas and stormy waters.

Congratulations to all those students who would be taking away the prizes for outstanding achievements in Academics, Sports and other fields.

To those who lost out this year, I must say that there is no reason to feel disheartened. Look at the brighter side – maybe, this is a "Wake-up Call" for you. There is always a next time. Make it count!

To wrap it all up, I would like to thank the parents of our students, who have instilled the values of a good education in their children. I can imagine what a wonderful feeling it must be to see your child being rewarded here this evening for all the efforts put in throughout the year. Yes, it is time for all the hard work to pay off!

**Julian Luke**  
Principal

**MESSAGE FROM THE VICE PRINCIPAL**

In my brief tenure at Barnes, I have met many people who are a part or the extended family of Barnes. And there is one thing common to all *'they are passionately in love with it and feel proud to be a part of this great institution.'* For any institution to be a great institution it requires this passion and unconditional love from its members. I am proud to be a part of this family and wish all the very best for the students – the ones studying and the alumni, the parent body, the staff & Management.

Our school motto, **"Accepto Robore Surgam"** - *I shall arise with the strength I have received ...* is so apt for Our School and for that matter any institution, whether it be family or an educational institution. Our upbringing plays a crucial part in making correct choices, possessing a resolute resolve, positive attitude and a strong character. The school plays a major role in the life of an individual. We arise and awaken from ignorance to knowledge & understanding. We need every bit of this knowledge and understanding that we get from our alma mater, as we move ahead in life and meet the challenges that life throws at us.

In the words of John Dewey, "Education is not preparation for life; education is life itself." Education is a lifelong process. There is no degree or course of study that once completed brings an end to education. It is an ongoing process it is never ending and continues for life and even beyond. The best education is one that teaches us how to learn and to find answers to the challenges of life. Though at school we hold your hand and help you find answers, but in life you have to do that yourself. The most successful people are the ones who have solutions to problems. They are the ones that are taken as leaders to lead the others, who only see the problem.

Good teachers encourage the students to find answers for themselves and pose questions and challenges, to find their proficiency, and channelize their potential in the pursuit of excellence. They promote a scientific temper and a spirit of free inquiry. They build you to be lifelong learners and kindle the quest for knowledge. They are friends, teachers, mentors, guides and co-creators.

The best student is one who has found his rightful work. It may be anything you do contributing to moving civilization onward. When you find your mission in life, you will know it at once....

Things will come naturally to you without much effort...It does not appear to be a burden... You experience joy and happiness while doing so..... that is your mission in life.

When you follow your dream and passion, your life will be one long harmonious and blissful journey. However you ought to remember that you have to give back more than what you take and leave the place better than you found it.

I leave you with the most wonderful lines ever written, to ponder on:

Lives of great men all remind us,  
We can make our lives sublime, (Sublime – elevated or lofty in thoughts)  
And, departing, leave behind us,  
Footprints on the sands of time. - Henry Wadsworth Longfellow

The Prefects Investiture of the Junior School was held on 13<sup>th</sup> July 2011 in Evans Hall with a solemn swearing in ceremony. It began by invoking the blessings of the Almighty, through the scripture reading. The choir and hymns made the occasion more meaningful. The houseful of students of the junior section and the proud parents of the prefects witnessed the commissioning of the Head boy, Head girl, the House Captains and the Vice Captains by the Asst. Head Master.

The young Barnite leaders were decorated with badges and sashes and with elegance grace took their oath.

## BARNES SCHOOL V/S BISHOP'S

## FOOTBALL THE REPORT 2011 - 2012

The football season began on Wednesday 8<sup>th</sup> June, 2011 with the inter house practice matches. The boys were happy to pay and prepare themselves for the inter house tournament.

### The Inter House Tournament

House pride and glory motivated the boys to play hard and after they had given it their all the result was as follows:

**First** – Candy,      **Second** – Greaves,      **Third** – Royal and Spence

### Annual Friendly Fixture vs. The Bishop's Co-Ed School, Kalyaninagar, Pune

The match was played in Pune on Saturday 23<sup>rd</sup> July, 2012 on The Bishop's School, Camp, ground. In a closely contested game the host team won 2-1.

### Annual Friendly Fixture vs. The Bishop's School, Camp, Pune

We hosted the Bishop's team on Saturday 30<sup>th</sup> July, 2012. The visitors deservedly triumphed by 2 goals to 0.

### Annual Friendly Fixture vs. St. Peter's School, Mazagaon, Mumbai

The game took place on Saturday 6<sup>th</sup> August, 2012 on home ground. We were happy to win the match 2-0.

### The All Maharashtra Anglo-Indian CISCE School Inter-School Football Tournament for Boys

The Tournament was hosted by us for the second consecutive year. It commenced on Tuesday 23<sup>rd</sup> August, 2011. Twelve schools from different parts of Maharashtra participated in the week long competition which was declared open by the Chief Guest, Mr. Carl Laurie, The CEO of Barnes School.

The teams were drawn into the following tow groups

Group A	Group B
1. The Bishop's School, Camp, Pune	The Cathedral and John Connon School, Mumbai
2. The Bishop's Co-Ed School, Undri	The Bishop's Co-Ed School, Kalyaninagar, Pune
3. The Bombay Scottish School, Mahim, Mumbai	St. Mary's School, Mazagaon, Mumbai
4. The Bombay Scottish School, Powai, Mumbai	St. Peter's School, Mazagaon, Mumbai
5. St. Peter's School, Panchgani	The Hutchings High School, Pune
6. Barnes School	The Christ Church School, Byculla, Mumbai

Barnes narrowly missed out on a semi-final berth on goal average to The Bombay Scottish School, Mahim, Mumbai.

In the first semi-final The Bishop' School, Camp, Pune, defeated The Hutchings High School, Pune 1-0, while in the second semi-final the Bombay Scottish School, Mahim, Mumbai, got the better of The Cathedral and John Connon School, Mumbai, in the tie break.

The final, which was a close affair, saw the Bishop's School, Camp, Pune, put it across The Bombay Scottish School, Mahim, Mumbai, by a solitary goal.

The Steven Anderson Memorial Football Tournament

The tournament, organized annually by The Christ Church School, Byculla, Mumbai, in memory of its mush loved and admired student and former school football captain, Steven Anderson, was held from Friday 16<sup>th</sup> September till Sunday 18<sup>th</sup> September, 2012.

Barnes comfortably got through the league stage to set up a semi-final clash with The Bishop's School, Camp, Pune. The match ended in normal time with no score. The tie-break went 3-1 in our favour thanks to the brilliant saves by makeshift keeper Fernando Preston. In the final we came up against St. Mary's School, Byculla, Mumbai. Here again the game ended in normal time with no score. Once again Fernando Preston was brilliant to earn us a 4-2 victory. Barnes won the following individual Prizes;

- Best Player – Fernando Preston
- Best Goalkeeper – Mishal Bahl
- Highest Scorer – Shelden Redden

The Best Footballer Award for the season was given to Sydney Ryder and Jonathan Young.

Master in Charge – Mr. J. Redden  
Assistant - Mr. F. Simmons

## WORLD TEAKWONDO CULTURE EXPO

**Master Harsh Jaymin Maheshwari** studying in class 8A had performed extremely well in the 5th world Teakwondo Culture Expo held at Seoul in South Korea. He won 2 medals in that camp one was a silver medal and the other was a bronze medal. He got the silver medal in poomsae (demonstration) and the bronze medal in kyorugi (fight) these games need a lot of practise. Harsh is from Shrirampur. HE is currently staying in Nasik and has been practicing Teakwondo from the past 3 years. His coach's name is Mr Vijay Londhe he has taught Harsh to play Teakwondo.

Teakwondo means self-defence it is similar to martial arts. Teak means kick and wondo means pinch. To play the game a lot of confidence, stamina and concerntration is required. This game is especially for girls.

Harsh has been for many camps of Teakwondo. One year the camp was held at Balewadi in Pune from where he was selected to be apart of the 5th world Teakwondo Culture Expo held at Seoul in South Korea

**APURVA BALYAN** X A

## A HEALTHY DIET

Regular intake of water is essential for maintaining good health. Most of us know that seventy per cent of the total body weight is due to water. Although it is present in all parts of the body, it is more present in organs such as lungs, brain, fluids as blood, lymph, saliva and secretions by the organs of the digestive system. The common belief is that we feel thirsty only when our body needs water.

Diksha Nihalani  
VI-A

## ENVIRONMENT

One of the major concerns mankind is facing today is environment. Environment is for all of us, from the tiniest to the old man. The air that we breathe in, the water quenches thirst, the soil below, the heat and fire remain alive and kicking, the forest and vegetation for food are all the basic necessities of life.

Diksha Nihalani  
VI-A

## POEMS ON NATURE

My heart leaps up when I behold  
A rainbow in the sky;  
So was it when my life began;  
So is it now I am a man;  
So be it when I shall grow old;  
Or let me die!  
The child is father of the man;  
And I could wish my days to be  
Bound each to each by natural piety.

Diksha Nihalani  
VI-A

# RIDDLES

1. What goes up when that rain comes down?  
Ans.: An umbrella
2. What can you catch but not throw?  
Ans.: A Cold
3. What can go up and come down without moving?  
Ans.: The temperature
4. What gets wetter the more it dries?  
Ans.: Towel
5. The more there is, but the less you can see?  
Ans: Darkness

Diksha Nihalani  
VI-A

# CHILDHOOD MEMORIES

Long ago, I was wounded. I lived  
To revenge myself  
Against my father, not  
For what he was  
For what I was from the beginning of time,  
In childhood, I thought  
that pain meant  
I was not loved  
It meant I loved.

## THE THREE RULES

What is the Iron Rule?  
The rule of savage men:  
If evil is done unto you,  
Evil do thou again,  
This is the Iron Rule.

What is the silver Rule?  
The rule of wordly men:  
If good your heighbour does do you,  
Do good to him again,  
This is the Silver Rule.

What is the Golden Rule?  
The rule of righteous men:  
If evil is done unto you,  
Return thou good again,  
This is the Golden Rule.

Prarthana Mihani  
V B

# FRIENDS FOR EVER

## I Saw

I saw a fishpond all on fire  
I saw a house bow to a squire  
I saw a person twelve feet high  
I saw a cottage near the sky  
I saw a balloon made of lead  
I saw a coffin drop down dead  
I saw a sparrow run a race  
I saw two horses making lace  
I saw a girl just like a cat  
I saw a kitten where a hat  
I saw a man who saw these too,  
And says, though strange, they  
All are true.

Prarthana Mihani V B

Friends are very important in our life.  
Friends help in our good and bad times.  
We fight with our friends, but when  
We need them they are always  
with us. Friends are our best Philosopher

Friend guide us in our studies,  
help us to find solutions to the problems  
when we have done something wrong,  
and to get out from a bad or difficult condition.  
Friends are very caring and loving.

We cannot live without friends.  
We are nothing without our friends.  
If you want to became a good friends,  
then accept your friend in the way he/she is.  
A friend in need is a friend indeed...

Taarika Papreja VI B

I have a friend,  
Whose name is Rohan,  
and we have fun together,  
we laugh and play,  
and sing all day,  
In any kind of weather.

Harsh Valmiki - VII C

Friend care, Friends share.  
We need friends every-where.

Harsh Valmiki - VII C

I can talk with a friend and walk with a friend  
and share my umbrella in the rain  
I can play with a friend  
and learn with a friend  
and stay with a friend  
and explain

I can eat with a friend  
and complete with a friend  
and even sometime disagree  
I can ride with a friend  
and take pride with a friend  
A friend can mean so much to me!

I had a box of crayons,  
All shiny, straight and new,  
I lent a friend one crayon,  
And ... oops ... it broke in two!

My friend said she was sorry,  
But I sad "I don't care,  
'cause now we both can color  
with one crayon ...  
we can share!"

Jagruti R. Chug, Class VII B

## A TO Z OF HUMAN PHILOSOPHY

- A:** Always must win
- B:** Borrow but never return
- C:** Cheap is good
- D:** Don't trust anyone
- E:** Everything also must grab!
- F:** Free! Free! Free!
- G:** Grab first talk later
- H:** Help yourself to everything
- I:** I first, I want, I everything
- J:** Jump queue
- K:** Keep coming back for more
- L:** Look for discount
- M:** Must not lose face
- N:** Never mind what they think
- O:** Outdo everyone you know
- P:** Pay only when necessary
- Q:** Quit while you are ahead
- R:** Rushing and pushing wins the race
- S:** Sample are always welcome
- T:** Take but don't give
- U:** Unless It's free forget it.
- V:** Vow to be number one
- W:** Winner takes it All! All! All!
- X:** X'tra = more
- Y:** Yell if necessary to get what you want
- Z:** Zippers are always problem bet than a laced pant or Shirt.

# JOKES

- 1) Postman to Vikrant : I have to come 5 miles to deliver you this packet.  
Vikrant : Why did you come so far instead you have posted it.
- 2) Teacher to Student : Students you all have to write an essay on cricket match. (All were busy instead of one who was Shitij)  
Teacher to Shitij : Why are you not writing.  
Shitij : "Due to the rain no match!"
- 3) Customer to Shopkeeper : (On independence day) Do you have Indian flag.  
Shopkeeper : Yes!  
(The Shopkeeper got mad when he heard saying something to shopkeeper).  
Customer : Do you have this flag in any other colour?
- 4) Teacher : What is the formula of water  
Student : Mam! HIJKLMNO  
Teacher : What is this ?  
Student : Mam! Yesterday you told me that it is H to O.

- Akshay Kumar, VII C

# MY GIRL

I dream and dream about this girl  
Who gives my emotions a whirl  
The girl for who I've got so much is my heart,  
But I can't walk to her,  
even if I try to talk to her I can't even say "hey"  
So before I start I gotta say "good bye"  
but one tuesday stormy night,  
I saw someone have or fight  
A old man it was where  
I saw my girl beside there,  
I felt taking the old man's side  
and started the fight on the other side  
a bulky man who look pretty tight.  
I got beaten real bad  
like I before never had  
seconds later police came  
and I was then top on fame  
the old man was the father  
so now I can talk to her rather.  
She was cleaning the wounds  
The guy had knife  
That's when I asked her to be my wife  
She said no.  
But well it's a blow  
girls come and go.  
But she will stay in my heart  
She's the girl from the dreams.

Gavtam Suri VII C

# Swami Vivekananda

The Vedanta recognizes no sin it only recognizes error. And the greatest error, says the Vedanta is to say that you are weak, that you are a sinner, a miserable creature, and that you have no power and you cannot do this and that.

The will is not free – it is a phenomenon bound by cause and effect – but there is something behind the will which is free.

The world is the great gymnasium where we come to make ourselves strong.

Truth can be started in a thousand different ways, yet each one can be true.

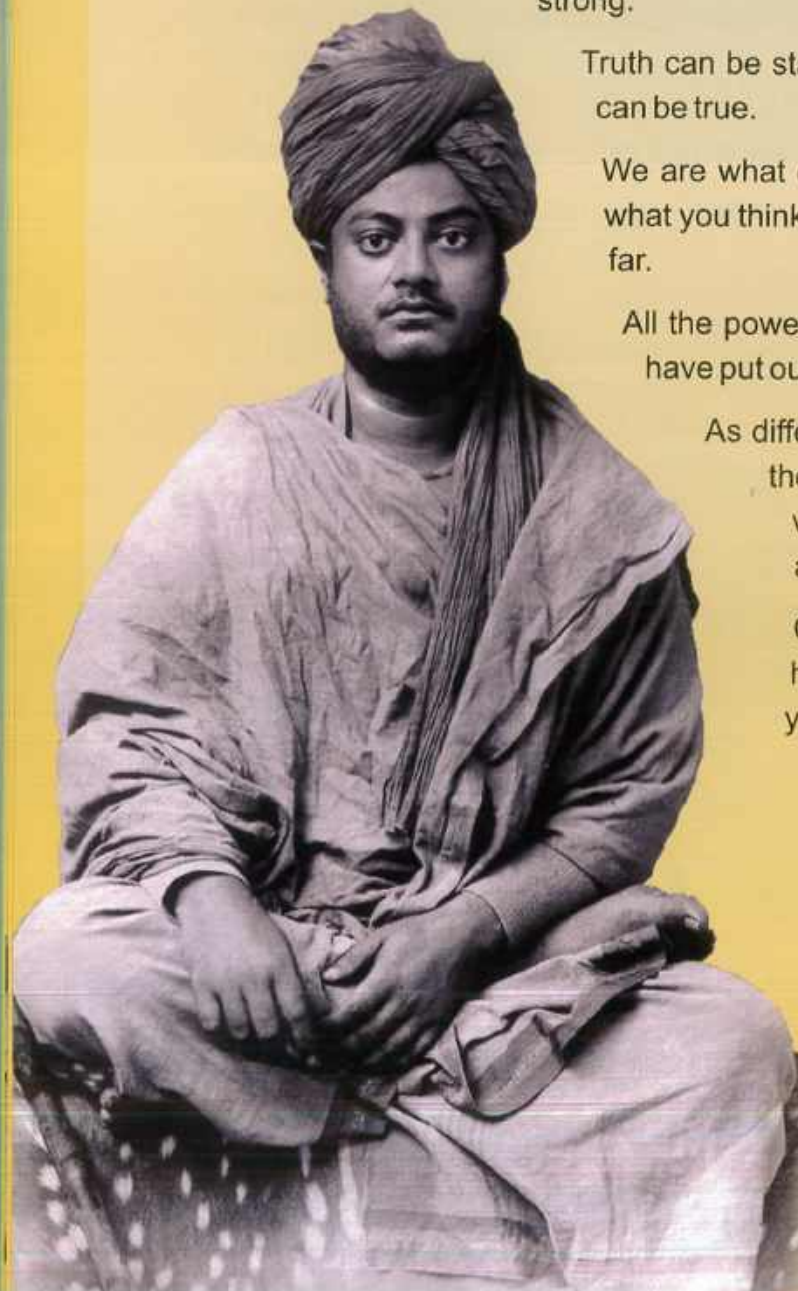

We are what our thoughts have made us; so take care about what you think. Words are secondary. Thoughts live; they travel far.

All the powers in the universe are already ours. It is we who have put our hands before our eyes and cry that it is dark.

As different streams having different sources all mingle their water in the sea, so different tendencies, various though they appear, crooked or straight, all lead to God.

Condemn none: if you can stretch out a helping hand, do so. If you cannot, fold your hands, bless your brothers, and let them go their own way.

Aniket R. Chug VB

# LAUGHTER THE BEST MEDICINE

History Teacher – From where to where did the Mughals rule?

Student – Sir, I am not sure but I think from page 14 to 46.

Nayanika Kamat VII C

## One Liners

- Practice make a man perfect, but if no-body is perfect, then why practice.
- Don't steal, the government hates competition.
- To remember your anniversary, just forget it once.
- If electricity comes from electrons, does morality come from morons?

Nayanika Kamat VII C

# NATURE

Nature is a God given beauty,  
Keeping it safe is our duty.  
Containing Plants, flowers and trees,  
So beautiful that everyone sees  
Having water, sky and sun,  
Always having time for fun.  
But now we don't care,  
That the earth is going bare.  
So friends keep the nature safe,  
And keep your future safe.

Kevin Dovy, VI C

## FRIEND

A friend is everything; he/she is the best person in the world.

A good friend can give lives all happiest hours.

Friend with their warm and loving ways, make something very special and wonderful of a ordinary day.

Good friend are treasured for life.

Friendship is free-flowing like a river of dreams.

Strive to have friends for life without friend life is like a desert island.

Friendship teaches us to love and forgive each other.

The language of friendship is not word, but meanings.

So we must have a number of friends.

**Samruddhi Thakre, VII - C**

I say open your hearts

Like a new flower

Let the hatred in us

Flow away like a stream

Let justice be set in our hearts

Like a stone standing

straight and firm

I have a dream that one day

people all around the world

shall eat from plate of peace

and say together

We shall stay so always

one day a tree will grow high and strong

In the garden of justice

**Kevin Davy VI C**

## THE YEAR 3000

What do you think of the year 3000?

School on moon, Home on Mars,

Rockets for transport instead of cars,

No fear of notebooks thives,

Instead of Notebooks computer chips

It will be a world of fashion,

Lunch on Venus, dinner on Mars,

Picnic spots will be found on Stars,

No need to work and tire yourself.

All work will be done by robots.

If all this happens in 3000 AD

What world be left for 4000 AD

**By - Samruddhi Thakre, VII C**

## SPRING

Spring is the season I love

I'm glad because it is here now!!

Blooming flowers in bright colour

Roadside leaves with fresh green leaves,

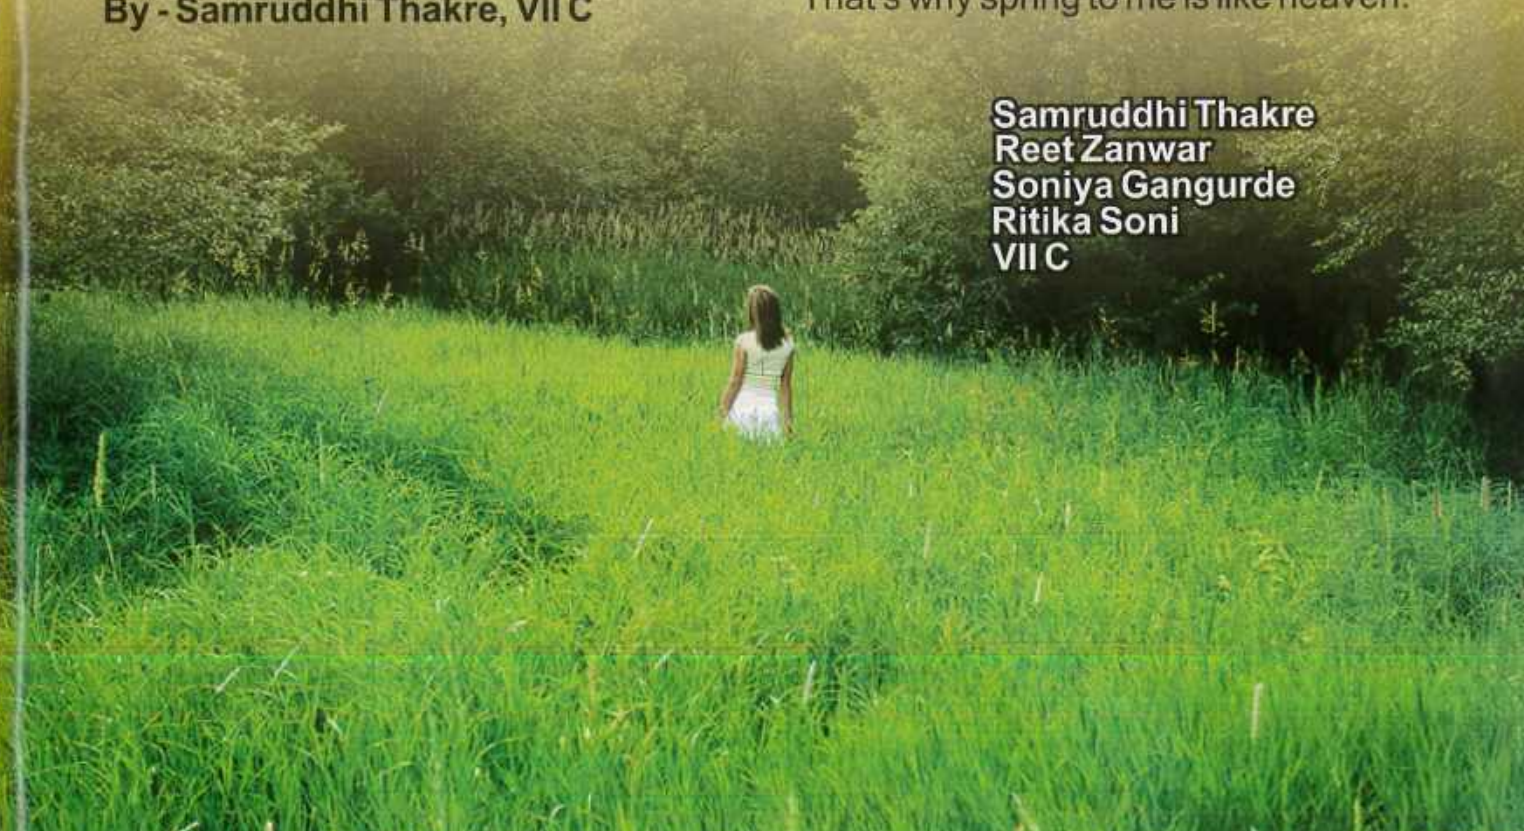

Cool breeze making every thing dance.

Chirping birds stealing every one's glance

Children playing happily under the smiling sun,

That's why spring to me is like heaven.

**Samruddhi Thakre

Soniya Gangurde  
Ritika Soni  
VII C**

Rohan is handsome and cute,  
 And Gautam is always playing a flute.  
 Nayahika Sings like a Singer,  
 And Chaitanya counts on his fingers.  
 Siddhant scores in Maths,  
 And Rohit counts his hats  
 Vinayak is always drawing in books,  
 And Samruddhi is always concentrating on her looks.  
 Ritika is focused on her studies  
 And Soniya is among best buddies.  
 Vaishnavi likes dancing,  
 And Archita likes fencing.  
 Harsh likes doing Hip-Hop,  
 And Mohit always eats a lolly-pop,  
 Jehaan had a simling face,  
 And Mansi does not know how to tie a lace.  
 Reet believes in Astrology,  
 And Hrutiya has a passion for Biology.  
 Supriya is always talking  
 with Vaishnavi even while walking  
 Ruchika always comes first,

And Vikrant is the worst.  
 Shitij liked to study Chemistry,  
 And Akshay likes to read History  
 Dhiraj is very good in studies,  
 And Namit has may buddies.  
 Kartik is best in Cricket,  
 And Deepak always takes a wicket.  
 Negar likes the flower rose,  
 and Hannah likes to write a prose  
 Sweety is a sweet girl,  
 And Shalini likes a pearl.  
 Tejas is tall,  
 And Sanjana likes to play with a doll.  
 Messum has wonderful thoughts.  
 And Dilnawaz thinks a lot.  
 Shreya likes flower pots.  
 We sometimes like to play the fool,  
 But our class is the best and will always  
 Remain best in school.

## LET US BE A PART OF ENVIRONMENT

'I am Gaia, the Earth Mother, the planet you live on Not just a ball of mud, rock and water, but a living organism I am the only sanctuary, you have. If I die so shall you.'

This is the voice of our planet, calling out to us -Homo sapiens. With our genius, we have explored earth's natural resources and achieved amazing milestones of development. We have conquered land, air and water and become the masters of the universe, But it is very sad to see that in the bargain, we have harmed the environment so much.

In our greed for material comfort man has exploited nature which can be seen in the poaching of animals, felling of trees, mining and exhausting our fossil fuels. We can see the consequences of these activities in the shrinking of ice fields and glaciers, rise in ocean water levels, loss of coral reefs, increasing incidences of hurricanes cyclones, storms and extinction of about 300 species everyday. The recent examples of alarmingly low or high temperatures, late season tornadoes, Gulf Coast hurricanes in the US and Midwestern droughts are the alarm bells that we should need.

The greenhouse effect has reached an all time high. It seems that we have cut off ourselves from our environment. It is a vary sad state to be in. Our situation has become like that of a monkey sitting on a heap of dynamite with a matchbox in his hand.

The limits of growth are finally upon us. No amount of environmental debate, seminars or technology can help us. What can really help us is the little steps that we can take in our personal lives. Each one has to put on effort. We have to think twice before throwing a wrapper of chocolate or an empty packet of chips in a stream. We should give back to nature what we take from her. We should plant a tree for birthdays and other special occasions in the family. We can car pool and save fuel, we can use less water by avoiding wastage.

We have to cherish our environment because we have not inherited it from our ancestors but borrowed from our children.
